

**Seminole High School
Academy of Health Careers
Honor Code Agreement**

I do hereby resolve to uphold the Honor Code of the Academy of Health Careers at Seminole High School. I shall refrain from all forms of academic dishonesty; for example, cheating, plagiarism, or other deceitful means of obtaining good grades.

Academic honesty and integrity are essential to the existence and growth of any academic community. Without maintaining a high standard of honesty and conduct, the reputation of the school and of the Academy of Health Careers is compromised, and society is poorly served.

I understand that the Academy of Health Careers course of study is difficult, and while group study is both accepted and encouraged, ethical conduct is expected at all times. Academic violations of the Honor Code consist of the following: ***Cheating*** includes the actual ***giving or receiving*** of any unauthorized aid or assistance on any form of academic work; ***plagiarism*** includes the copying or representation of another's work as one's own.

Inherent in the Honor Code is the responsibility of any and all members of the Academy of Health Careers program who have knowledge that a student has violated the honor code to come forth and report any form of Honor Code violation.

I understand that breaches of the honor code may result in my removal from the Academy of Health Careers.
